CASSIE HENDRIKS

PROFILE

Well, here I am. I'm Cassie Pierre Hendriks. I'm a 19, energetic and ambitious young man from Bloemfontein, South Africa. Love fitness, especially gym training as I'm getting used to being active and doing nature-loving activities. Animals captivate me as I feel outdoors provides the serenity and inspiration I live by.

I am an ever-motivated, all adaptable individual who welcomes improvement and learning within every possible segment of his personal and professional life. I will keep my focus on the goal with committed perseverance while still holding a positive attitude. An innate flair for communicating, passionate about meaningful conversations with people, and serving others in whatever possible way make my day.

The ultimate aim of my life is to be purposeful; each day I attempt to challenge myself to improve my best, maximize my potential, and enjoy each moment of the journey. I will bring energy, determination, and a desire to grow in anything that comes my way.

HOBBIES

- Playing and watching rugby, reflecting my passion for the sport and teamwork.

- Exploring new technologies and programming languages to enhance my skills.

- Building and repairing computers as a creative and technical hobby.

- Learning about advancements in cloud computing and IT systems.

- Outdoor activities, such as hiking, to maintain a balanced lifestyle.

- Playing Games online and having fun

EDUCATION

I attended Primary President Brand, where I achieved several distinctions in academics and excelled in various subjects. During my time there, I also showcased exceptional talent in rugby, representing the Free State and Cheetahs teams at the under-14 level. I was further honored to be selected for the South African under-14 rugby team. Beyond sports, I demonstrated leadership abilities as a member of the student council and developed a strong interest in technology, which laid the foundation for my future in the tech industry.

In high school, I performed well academically and successfully completed matric with well grades. My standout subject was Computer Applications Technology (CAT), where I achieved good scores. During this time, I also gained early exposure to web development by learning HTML and CSS, becoming proficient by the end of high school.

after high school, I enrolled at CTU training solutions, where I completed a **Programming Foundation** course and obtained a certification. This further solidified my skills and passion for technology.

WORK EXPERIENCE
Company Name – Smart Trade (C.I. System)
Date – January 2024 (Still working)

I have gained extensive experience as an IT Technician and Programmer since January 2024. My responsibilities have included building and repairing PCs, troubleshooting hardware and software issues, and conducting on-site callouts to address technical problems. I have set up and configured Point-of-Sale (POS) systems, including hardware like printers, cash drawers, and computers, as well as installing Smart Trade POS software for clients. I have also installed and managed LAN cabling for wired connections, and improved printer outputs for clients. Handled after-hours technical support, and maintained packaging and dispatch processes. In programming, I developed a job card application using JavaScript and React Native and contributed to the company's website development with HTML, CSS, JavaScript, SQL, and Python. Additionally, I utilized Firebase for storage solutions. My role has provided valuable experience in IT support, systems maintenance, and programming, significantly enhancing my technical expertise.

SKILLS

- ➤ **IT Support and Technology:**
  - Repair and maintenance of computers and other devices.
  - Diagnosing and resolving hardware and software issues.
  - Installing and configuring LAN cables, including cable assembly.
- ➤ **Programming and Web Development:**
  - Proficient in HTML, CSS, and JavaScript for frontend development.
  - Experienced in backend development using Python and SQL.
  - Developed mobile applications using React Native.
  - Managed data storage using Firebase.
- ➤ **Point-of-Sale (POS) Systems:**
  - Setup and maintenance of POS hardware and software, including printers.
  - Configured Smart Trade POS systems for clients.
- ➤ **Networking and Client Support:**
  - Troubleshooting technical issues related to software, printers, and Wi-Fi.
  - Providing after-hours support and addressing client concerns effectively.
- ➤ **Technical Tools and Systems:**
  - Experienced with cloud platforms like Azure.
  - Familiar with IT processes and maintaining systems efficiency.

EDUCATIONAL SKILLS

- ➤ **Educational Skills**
  - SQL
  - Python
  - HTML
  - CSS
  - Azure
  - JavaScript
  - IT Support
  - Cloud Computing
  - React Native for Mobile Application Development
  - Firebase for Data Storage
  - Frontend and Backend Development
  - Word
  - Excel
  - Power Point
  - Office
